Inquiry
procedure in
cases of
subversion

5. (1) When an employee of the University is to be proceeded against under clause (e) of Statute 3, the authority-

Provided that no such opportunity shall be given, where the Chancellor is satisfied that in the interest of the security of Bangladesh, or any part thereof, it is not expedient to give such opportunity.

(2) (a) For the purposes of clause (c) of paragraph (1), an Inquiry Committee consisting of three persons shall be constituted by the Chancellor.

(b) The Inquiry Committee shall inquire into the charge and submit its findings to the Chancellor.

(c) The Chancellor may pass such orders as he thinks fit on the findings of the Inquiry Committee; and the authority shall forthwith give effect to such orders. The Chancellor shall not be required to consult the authority before passing any such orders.

(d) Notwithstanding anything contained elsewhere in these Statutes, no appeal shall lie against an order made by the Chancellor under this Statute, provided, however, the Chancellor may, on the application of the aggrieved employee made within one month of the date on which he was informed of the order, review such order.

(e) Nothing in this Statute shall operate to deprive an employee of the University from exercising his right to submitting a petition or memorial to the Chancellor.

6. (1) When an employee of the University is to be proceeded against under clauses (a), (b), (c), (d), (f), (g) and (h) of Statute 3 the procedure in the following paragraph shall be observed.

Inquiry
procedure in
other cases

(2) The authority may, if it thinks fit, appoint an officer or a teacher of the office or department to which the employee (hereinafter called the delinquent) belongs or an officer or teacher of any other office or department of the University to examine and report on the allegations against him to enable the authority to decide whether a formal enquiry should be held, and the officer or the teacher may also informally examine the delinquent.

(3) If the authority decides that a formal enquiry should be held it shall decide further whether the allegations, if established, would call for a minor or a major penalty.

Procedures for formal enquiry will be as laid down hereunder in Statutes 7, 8 and 9.

Procedure for dismissal

7. When an employee of the University is charged with an offence the maximum penalty for which is dismissal, the procedure for holding an enquiry shall be as follows:

- (a) A charge-sheet shall be presented to the delinquent detailing the charge or charges against him and calling upon him to show cause why he should not be dismissed or removed from service or punished with any of the lesser penalties specified in Statute 4. He shall be required to submit a written explanation by a fixed date, which shall ordinarily allow him an interval of seven clear days from the date he receives the charge-sheet. If the delinquent is illiterate or semi-literate, the charge-sheet shall be read out and explained to him by the Head of the Office or Department or an officer delegated for the purpose not below the rank of a subordinate administrative officer, who shall record the statement of the delinquent.
- (b) The charge-sheet with the explanation furnished by the delinquent shall be considered by the officer competent under this Statute to pass an order of dismissal who, unless he takes steps for holding a departmental inquiry, shall thereupon pass such orders as he thinks fit.
- (c) If the delinquent asks to be heard in person or if the officer competent to pass an order of dismissal considers that the delinquent should be examined in person, he shall cause a departmental inquiry to be held. The delinquent, if he so desires, may be accompanied by another University employee and the officer or the Committee of Inquiry shall give the delinquent all reasonable facilities for the conduct of defence including the cross-examination of witnesses.
- (d) At such an inquiry a definite charge in writing shall be framed and explained to the delinquent in respect of each offence which has not been admitted by him, and the evidence in support of it, as well as his defence, shall be recorded in his presence:

Provided that for special reasons to be recorded in writing the Officer or the Committee of Inquiry may refuse to call any witness suggested by the delinquent and may decide whether the evidence of any witness should be taken and recorded otherwise than in the presence of the delinquent.

- (e) The result of the departmental inquiry with the recommendation of the Officer or the Committee holding the inquiry, shall be placed before the authority competent to pass an order of dismissal, who shall thereupon pass such orders as he thinks fit.
- (f) Notwithstanding anything contained in the foregoing clauses formal inquiry may be dispensed with when the order of dismissal is passed on the strength of facts or conclusion arrived at by a judicial trial or trial by a Court Martial or when the accused is absconding, or adopting means to prolong or delay the conclusion of the enquiry with a view to gain undue advantage.

Note 1.- When, as a result of an enquiry into alleged misconduct of an employee it is proposed to dismiss, remove from service or reduce such an employee he should be afforded a further opportunity to show cause within a reasonable time, not exceeding one month, why the proposed penalty should not be inflicted. For this purpose any representation submitted by him should be duly taken into consideration before final orders of dismissal, removal from service or reduction are given effect to.

Note 2.- The charge-sheet to be presented to an employee of the University shall be in the form at Appendix 2. The delinquent shall be given seven days time to submit his defence. The official actually handing over the charge-sheet to the employee concerned must obtain his signature or thumb-impression, as the case may be, in acknowledgement of its receipt.

Note 3.- If the reply to the charge-sheet is not received in the time prescribed it will be assumed that the man concerned has no grounds to submit in his defence against the disciplinary action being taken.

Note 4.- There is no necessity for the issue of the charge-sheet when a University employee is to be dismissed as the result of his conviction by a criminal Court, as the employee concerned has already been given an opportunity of defending himself in the Court.

Procedure for
removal

8. (1) When an employee of the University is charged with an offence meriting removal from service, the procedure outlined in Statute 7 shall be applied:

Provided that the officer competent to pass the order of discharge may dispense with the departmental inquiry and may make an inquiry in any manner deemed proper by him, recording his considered opinion before passing the order of discharge. When a departmental inquiry is dispensed with and if, therefore, the employee asks to be heard in person, the officer competent to pass order of discharge shall grant a personal interview.

(2) When an employee absents himself from duty for more than a week or when an employee does not return to work within one week after the expiry of sanctioned leave, he shall be written to under registered cover (acknowledgement due) and asked to explain the reasons for his absence and informed that his reply should be received within a specified reasonable time, which should not be less than 10 days in any case. He should be told that failure on his part to reply within the specified time will result in his removal from service. If the reply is not satisfactory or if no reply is received within the specified time, he shall be removed from the service by issue of a notice of discharge under registered cover (acknowledgement due) in the notice forms at Appendices 3 and 4.

Note 1.- When it is intended that removal from service should operate as a bar to re-employment in the University this should be stated in the order of removal.

Note 2.- Absconder-An employee of the University can be treated as absconder only when he has left his station without permission and his whereabouts are not known. An employee who has left his station with due intimation in writing to his immediate superior of his doing so, who acknowledges the receipt of the charge-sheet served on him, or who presents himself before his controlling officer before the final orders in his case have been passed should not be treated as an absconder.

Note 3.- The same procedure as laid down in Statute 7(a) should be followed in the case of an absconder. The letter should be sent to the address given in the Service Book of the employee. If, however, no address whatsoever, is traceable he may be removed from service after two weeks.

9. Before an order imposing a penalty specified in clauses (a) to (d) of paragraph (1) of Statute 4 is passed against an employee of the University, he shall be informed of the definite offences or failures on account of which it is proposed to impose the penalty and called upon to show cause why that or any lesser penalty should not be imposed. He should also be given three days' time in which to submit his explanation and be allowed reasonable facilities for the preparation of his defence. Form in Appendix 2 should be used for this purpose. If no explanation is received within the prescribed time, it will be assumed that the employee concerned has no grounds to submit in his defence against the disciplinary action being taken.

Procedure for imposing other penalties

10. (1) Where it is proposed to proceed against an employee of the University on the ground of inefficiency by reason of infirmity of mind or body the authority may at any stage require the employee to undergo a medical examination by a Medical Board, as the authority may direct, and the report of the Medical Board shall form part of the proceedings.

Power to order medical examination as to mental or bodily infirmity

(2) If the employee refuses to undergo such examination his refusal may, subject to the consideration of any grounds he may give in support of it, be taken into consideration against him as showing that he had reason to believe that the result of the examination would prove unfavourable to him.

Note 1.- The authority in the above Statute in respect of officers and members of the teaching staff of all categories shall be the Syndicate. Where it is decided to terminate the service of any employee of these categories as a result of proceedings the decisions of the Syndicate shall be submitted to the Chancellor for confirmation.

Note 2.- The authority in respect of employees of all categories shall be the Vice-Chancellor, whose decisions shall be final and conclusive.

11. In ordering the withholding of an increment, the authority passing the order shall state the period for which it is withheld and whether the postponement shall have the effect of postponing future increments.

Withholding of increments

Note 1.- The cases of all University employees held up at an efficiency bar should be reviewed annually with a view to determine whether the quality of their work has improved generally and whether the defects for which they were stopped at the bar have been remedied to an extent sufficient to warrant the removal of the bar.

Note 2.- Withholding of increment shall never be for a period of less than three months.

Reduction to a lower post, etc.

12. When an employee of the University is reduced for inefficiency or misconduct to a lower post or time-scale or to a lower grade or to a lower stage in a time-scale, the authority ordering the reduction shall state the period for which it is effective and whether, on the expiry of that period it shall operate to postpone future increments. When an employee's increment is withheld his own substantive grade is not affected unless the authority passing the order states that that will have the effect of postponing future increments.

Note.- The reduction shall never be for a period of less than three months.

Orders to be communicated in writing

13. Every order imposing a penalty on an employee of the University shall be communicated to him in writing.

Note 1.- If, as a result of an investigation (which includes service of charge-sheets for offences committed), it is decided that the service of the employees concerned shall be terminated he shall be advised in a separate letter, as in Appendix 3, that his explanation or reply to the charge-sheet is not accepted and that he has been held responsible for or guilty of the offence or offences he was charged with.

Note 2.- A letter terminating an employee's service shall be issued in the form at Appendix 5 in a case of dismissal and in the form in Appendix 4 in a case of removal from service. These letters must be signed by the officer delegated for this purpose by him.

Note 3.- The procedure above shall not, however, apply to cases of discharge on completion of work or period of contract on probation or on reduction of establishment.

Record of penalties

14. The authority imposing any penalty under these Statutes shall maintain a record showing-

- (a) the offences with which the employee of the University was charged; and
- (b) the penalty imposed.

15. (1) An employee of the University shall be placed under suspension when he is arrested or committed to prison pending trial by a Court of law, and he shall remain under suspension until judgment is delivered by the Court, unless in the event of his release on bail, the authority competent to suspend him decides to allow him to resume duty pending decision of the Court.

Suspension

(2) An employee of the University whose conduct is undergoing investigation of a charge, the maximum penalty for which is dismissal or removal from service may, at the discretion of the competent authority, be kept under suspension until his case has been finally decided. The period of suspension should not normally exceed four months.

(3) When an employee of the University is convicted on a criminal charge he shall, according to the merits of the case be punished, removed from service or dismissed from the date of conviction. If it is considered that no penalty should be imposed the case should be referred to the Syndicate, except that in the case of a member of lower subordinate staff, it shall be referred to the Vice-Chancellor.

16. An employee of the University is entitled to the following payments during a period of suspension:-

Pay during suspension

- (a) The subsistence grant may be made at such rates as the suspending authority may direct, but not exceeding one-third of the pay of the suspended employee;
- (b) *Grant of dearness allowance to University employees under suspension:-* When in any case, the officer passing the order for suspension considers that having regard to the present high cost of living the amount admissible is not sufficient for the subsistence of the suspended employee and his family, he may allow him to draw the dearness allowance at the rate at which he drew it prior to his being placed under suspension.

Authorities competent to suspend an employee of the University are shown in Appendix 1.

Note 1.- No subscription to Provident Fund shall be recovered from the suspension allowance but if he is subsequently reinstated, subscription shall be recovered at one-twelfth of the pay allowed for the period of suspension.

Note 2.- Leave may not be granted to an employee at a time when he is under suspension.

Note 3.- When the suspension of an employee is held to have been justified or not wholly justifiable; or when the employee who has been dismissed, removed or suspended, is reinstated the revising or appellate authority may grant to him, for the period of his absence from duty-

- (a) if he is honourably acquitted, the full pay to which he would have been entitled if he had not been dismissed, removed or suspended and by an order to be separately recorded any allowance of which he was in receipt prior to his dismissal, removal or suspension; or
- (b) if otherwise, such proportion of such pay and allowance as the revising or appellate authority may prescribe. In a case falling under paragraph (1) of Statute 15 the period of absence from duty will be treated as a period spent on duty. In a case falling under paragraph(2) of Statute 15 it will not be treated as a period spent on duty unless the revising or appellate authority prescribes that the period of absence be treated as leave and allows leave salary. In either case the subsistence grant is to be adjusted against pay and allowance granted on final orders.

Appeals

17. (1) When any of the penalties specified in Statute 4 is imposed upon an employee of the University an appeal shall lie to the authority next above that imposing the penalty or to such other higher authority as the Syndicate may prescribe in respect of employees under its control. An appeal shall be to the Chancellor only on original orders passed by the Syndicate.

(2) When an appellate authority imposes a higher penalty than the one appealed against second appeal shall lie to the next authority above such appellate authority, provided that no such second appeal shall lie if the higher penalty imposed by the appellate authority is within the competence of the authority who imposed the original penalty on the employee.

18. (1) Every employee preferring an appeal shall do so separately and in his own name.

Procedure for submission of appeals

(2) Every appeal shall contain all material statements and argument relied on by the appellant and shall contain no disrespectful or improper language and shall be complete in itself.

(3) Every such appeal shall be addressed to the authority to whom the appeal lies through the authority from whose order the appeal is preferred and shall be submitted through the usual channel and no action shall be taken on an appeal submitted otherwise.

Note.- It is not intended to penalise a person for sending advance copies of appeals submitted through proper channel. No action shall, however, be taken on copies of appeals sent in advance with the endorsements "Original submitted through proper channel".

19. (1) The appellate authority shall consider:-

Duties of appellate authorities

- (a) whether the facts on which the order was based have been established;
- (b) whether the facts established afford sufficient ground for taking action; and
- (c) whether the penalty is adequate, inadequate or excessive.

(2) The authority to whom an appeal lies under these Statutes shall decide it himself and shall pass such orders on the appeal as he thinks fit.

(3) If the appellate authority proposes to enhance the penalty imposed by the subordinate authority, the former shall before passing such order, ensure that the procedure prescribed in these Statutes as being necessary before such penalty may be imposed, is or has been complied with.

20. An appeal may be withheld by an authority not lower than the authority from whose order it is preferred if-

Withholding of appeals

- (i) it is an appeal in a case in which under these Statutes no appeal lies; or

- (ii) it is not preferred within one month of the date on which the appellant was informed of the order appealed against and no reasonable cause is shown for the delay; or
- (iii) it does not comply with the procedure laid down in Statute 18; or
- (iv) it is a repetition of a previous appeal and no new facts or circumstances are adduced which afford grounds for consideration of the case:

Provided that when an appeal is withheld the appellant shall be informed of the fact and the reasons for it:

Provided also that an appeal withheld only on account of failure to comply with the procedure laid down in Statute 18 may be resubmitted at any time within one month of the date on which the appellant has been informed of the withholding of an appeal.

Appeal

21. No appeal shall lie against the withholding of an appeal by a competent authority.

Revision

22. (1) The Syndicate shall have the power, on its own motion or otherwise, to revise any orders passed by an authority subordinate to it:

Provided that when an appellate authority has considered and passed order on an appeal, such appellate authority shall not be entitled to initiate further action in respect of the same offence under this Statute.

(2) When the authority referred to in paragraph (1), proposes to enhance the penalty imposed on an employee of the University, otherwise than as an appeal preferred to it, it shall communicate its intention to the University employee concerned with the reasons therefore, and call upon him to show cause as to why the enhanced penalty should not be imposed. After considering the reply of the employee to this communication, it shall pass such orders as it thinks fit.

23. Nothing in these Statutes-

- (a) shall be deemed to preclude the Chancellor from revising whether on his own motion or otherwise any order passed under these Statutes by any authority of the University; or
- (b) shall operate to deprive an employee of the University from exercising his right to submitting a petition or memorial to the Chancellor;
- (c) whether the facts established afford sufficient ground for taking action; and
- (d) whether the penalty is adequate, inadequate or excessive.

(2) The authority to whom an appeal lies under these Statutes, shall decide it himself and shall pass such orders on the appeal as he thinks fit.

(3) If the appellate authority proposes to enhance the penalty imposed by the subordinate authority, the former shall, before passing such orders, ensure that the procedure prescribed in these Statutes as being necessary before such penalty may be imposed, is or has been complied with.
